The Student Council of Marlow High School has a specific job laid out for it, the building of a better school and community citizens through a program of active participation in school affairs.

In an effort to insure safe driving in the school zones, the Council issued Drivers Permits to those high school students who wish to drive their cars to school.

The school newspaper, The Roundup, is organized each year by the Student Council. The Student Council has charge of all school and special assemblies and with the help of the student body makes the float for the football queen who is crowned at the homecoming game of the season.

Since its organization in 1951, the group has discussed many ideas of school citizenship and problems which, from time to time, have been presented to the classes for discussion and consideration.

Student Council Officers: Judy Glass, President; Ladema Jones, Vice President; La Rue Coyle, Secretary and Treasurer.

SOUTHERN 7 CHAMPS

One-Act Play Wins at Walters

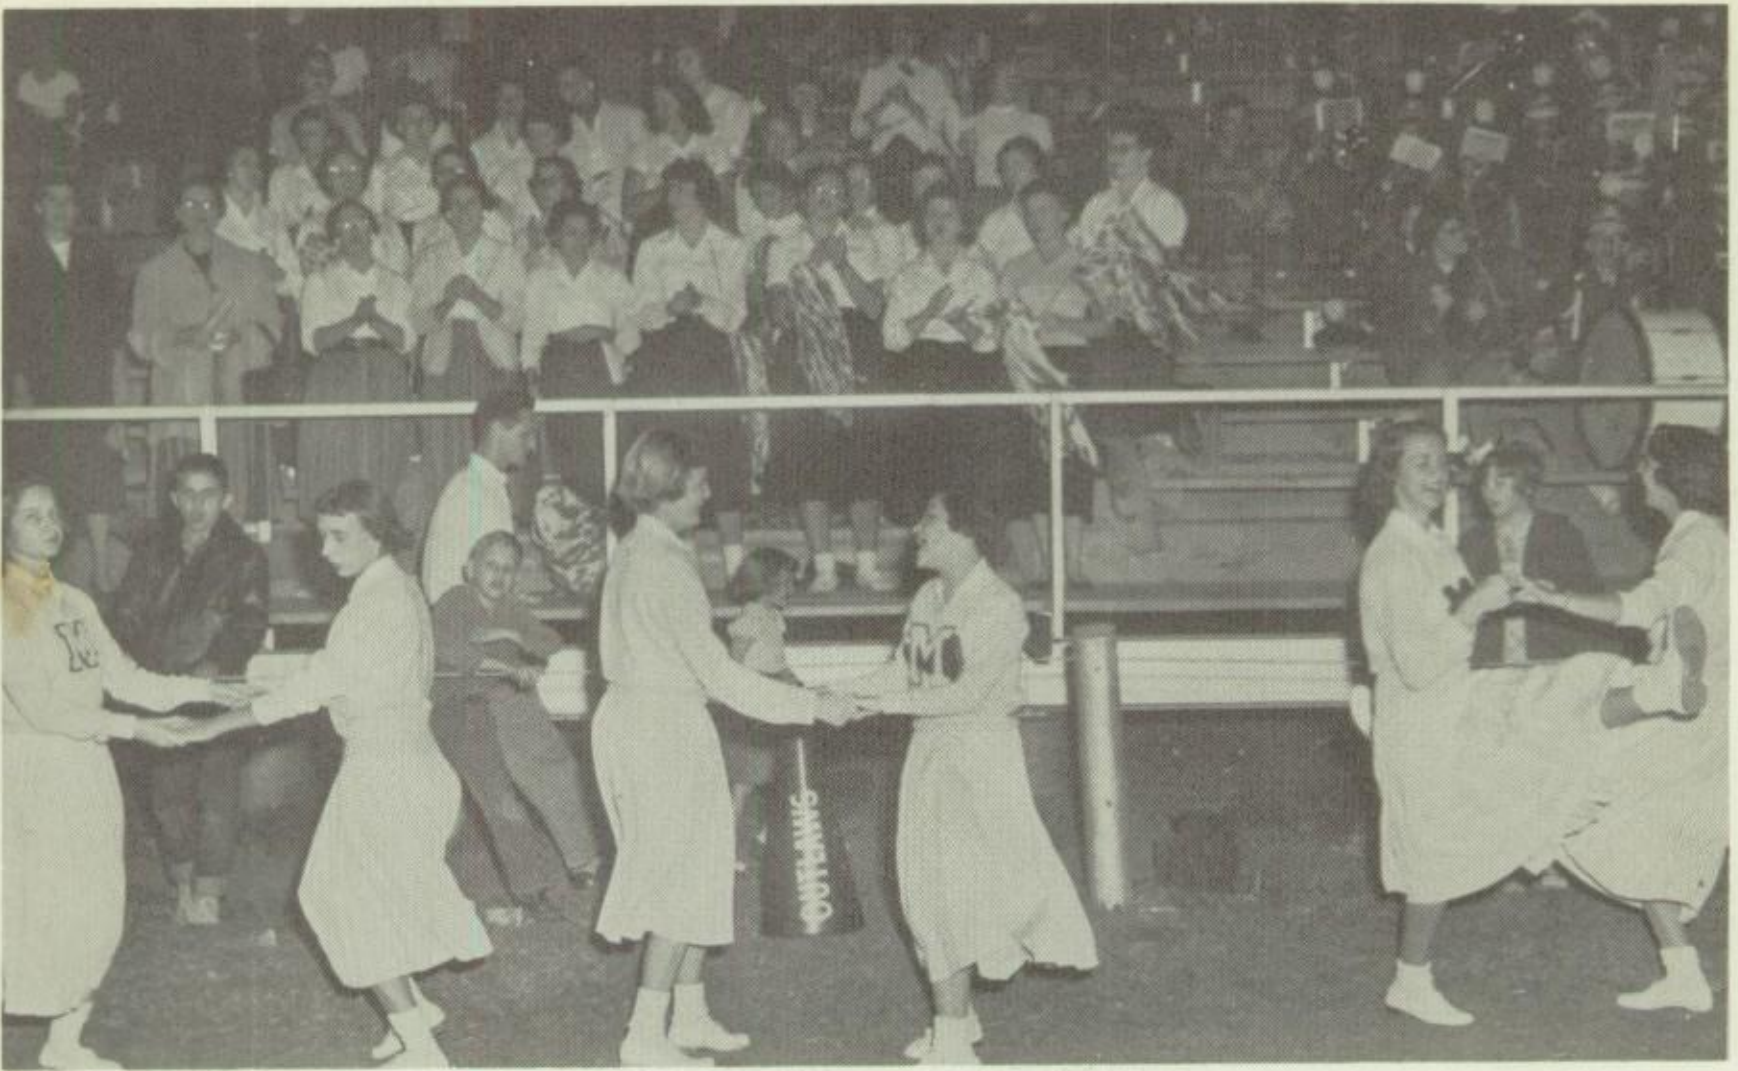

Our one-act play took Superior at the one-act play contest at Walters last Monday night. The title of the play was "High Window". Barbara Brown starred as Emily Winthrop, the crippled murderess. The supporting cast included: Howard Best as Judge Stephen Craig, Arbuary Ritter, as the weak nephew, Walter Hodge; Maudie Rife played Linda Norton, a reporter and Walter's fiancée, and Susie Hanson played Judith Ware, secretary-nurse to the late Warren Winthrop.

We were given ratings of superior and first. We were certainly proud since we worked on the play less than a week and only had our speech hour and what little practice we could get in after school and over the week-end.

ROUNDUP STAFF. Left to Right: Tommy McConnell, Judy Glass, Sam Watkins, David Byrd, Peggy Winn, John Wham, Mrs. Millwee, Carol Brooks, Vicky Pittman, Judy Mitchell, Patsy Fine, Dorothy Callaway, and Gloria Askey.

And all the times we come
so near getting killed. (such
as the night in the pickup.) I miss
you all the luck and happiness
in the world, because you deserve
it all.

Marie,
Here's to you and
success. May you
have the best of
everything. You
deserve it.
Melba Hambo

Marie, Remember the time
you and I were going with
"Bunkus" and I don't remem-
ber the other boy's name,
but anyway we got in
trouble with your mother
and you had to cut weeds.
That sure was funny.
I wish you the best of
luck and hope you and
Tim get along OK.

Love,
Vera Haller

Marie,
Remember the times
we got stranded at
Muncie at the ballgame.
But we made it back.
Didn't we? Remember all
the parties we had and
all the fun we had
together. I wish you
& Tim all the luck in
the world.

Love
Harold

"The Gang"

Marie, I have enjoyed
 running around with
 you in school and
 outside of school.
 You are a real good
 basketball player. Also,
 you are a very sweet
 girl. (keep up the good
 work) Remember the
 time you stop the car
 and threw me up in
 front and made Millard
 broke the windshield.
 Funny wasn't it?
 Best of luck to you

Love,
 Patsy

Marie, you are a real

Marie I will always remember you
 in chemistry & basketball. I will
 always ask my self why you
 didn't make it in chemistry.
 Lots of luck to you & Jim
 maybe some day you can
 look me & Harman up and
 come to see me. Stay
 sweet always.
